2014-2015

For 2014-15, we are excited to announce the return of the fully funded training and Showcase program for players from all clubs.

With a schedule overlaid on top of existing club schedules, this is a program where the best can play with the best, without having to leave their neighborhood teams. With a true partnership between clubs and coaches, we can offer opportunities to players they may not otherwise realize.

Team Adidas will be registered with US Club Soccer, and will train and play during the summer of 2014, have monthly training in the fall of 2014, and attend a Showcase event(s) in late fall. A complete schedule is listed below.

Teams will be u12 and u14, boys and girls for 2014. Player pools will be 24-30 players per team. This program will be fully funded! Team Adidas will cover all uniforms, player registration fees, coaching fees and expenses. Players will only be responsible for personal travel expenses.

BENEFITS OF TEAM ADIDAS

- FREE PROGRAM
- All expenses except for personal travel covered by Team Adidas

A: yes, just because you don't make one event does not mean you will not be selected for another, and conversely you are not bequeathed a spot just because you were picked to participated previously
